

PIONEER CLUB

As the official support group for Miles Community College intercollegiate athletic support programs, the Pioneer Club is made up of supporters, community members from various professions, of the college and its athletic programs. The Pioneer Club provides scholarship funds for student-athletes who represent MCC in intercollegiate athletic competition.

For the school year 2008-09, the Pioneer Club raised nearly \$90,000 to help fund the athletic programs at Miles Community College. All money from the corporate sponsorship program is used as scholarship dollars for the Pioneer athletic program.
